Dear Bonnie

Thank you very much for notifying me about the disposal of remainder of the 6th edition of Early Paper Money books. I tried to telephone you about it but could not make contact.

I would like you to tell me the total number of copies available as I may try to buy a bulk amount. I would also like to know what the shipping cost might be based upon sending various amounts to St. Louis. Do you send things routinely to Coin World in Sidney Ohio? If that were done without cost to me I think they would keep boxes of books for me as a courtesy.

I would appreciate a prompt reply . Doing things with you has always been a pleasure.

My best Eric

Dear Eric

Thank you for the go ahead to ship. I must let you know before I proceed that I will have no window into the shipping cost difference for sending two boxes to Massachusetts. The only way to know the difference is to run another pro forma.

Please let me know if I should go ahead without running another pro forma

Thank you

Dear Rick:

Please run another pro forma to get the cost. You were not correct when you said that both shipments were going to Massachusetts. Only one shipment of 20 books is going there and the other shipment of 30 books is going to Missouri.

Eric

I will run the pro forma. I did indicate that you wanted two boxes (20 books) to Mass. The 30 are to go to Missouri I knew from your e-mail that the shipment was to be split between the two states.. I just did not want to you to have any remorse if the Mass shipment cost was more than you thought.

I will run a new pro forma

Thanks
